From M5

- Take Junction 14 off the M5, and turn east on B4509 towards Yate.
- After around 2 miles you reach a cross-roads at the top of a hill, with a give-way sign. Turn left towards Wotton, and go down the hill through Charfield.
- Cross the railway bridge, with Mike Fews (Land Rover dealer) on your right, and Texaco garage on your left.
- Take the next left beside the garage down New Street
- After half a mile or so, the narrow country lane twists right and goes through a small industrial estate
- 27 New Street is a small beige-coloured building between two large stone mill buildings on the left. *IFA Systems* are on the ground floor – numbered front door is visible from road.
- Park where you can, leaving room for large lorries to turn into the estate.

From M4, going west

- Turn off M4 at Junction 18 – A46 – and turn north towards Stroud.
- After 2 miles at traffic lights turn left to Chipping Sodbury and Yate.
- After 2 miles at large roundabout before Chipping Sodbury take last exit towards Wickwar. At the roundabout at the end of this road turn right to Wickwar. Go through Wickwar (3 miles later) and turn left to Charfield after the traffic lights.
- At end of this road (1 mile or so), turn right towards Charfield, and follow directions from third point above.
